

ECHELON SEATTLE SERVICE PROJECT

WILLIAM BOOTH CENTER - MEN'S AND VETERAN'S SHELTER

811 MAYNARD AVENUE SOUTH, SEATTLE

Here's what the team accomplished on Friday, Feb 22nd:

- Packaged 25 sack lunches.
Prepared ham and cheese sandwiches and snacks, then packaged them into sack lunches along with a piece of fruit, a juice box and a cookie. The Salvation Army's Street Level team delivered the sack lunches to homeless encampments and those experiencing food insecurity.
- Cooked and served dinner to 97 residents.
- Prep work - chopping veggies for next day's meal.
- Washed dishes.

Here's what the team accomplished on Saturday, Feb 23rd:

- Packaged 50 sack lunches.
Prepared turkey and cheese sandwiches and snacks, then packaged them into sack lunches along with a piece of fruit, a juice box and a cookie.
- The Salvation Army's Street Level team delivered the sack lunches to homeless encampments and those experiencing food insecurity.
- Cooked and served lunch to 103 residents.
 - Prep work - chopping veggies for next day's meal.
 - Washed dishes.

Scott Moorhouse, Director, William Booth Center:

We were happy to have Echelon Seattle come to our facility and not only prepare and serve lunch and dinner, but also pack lunches for our Street Level team to utilize in their outreach efforts.
