## *"Life is Not a Dry Run"*

Meaningful, Occupation Based Therapy - Creating dynamic treatment sessions requires occupational focused interventions.

Saturday, October 19, 2013  
8:30-9:30 am

**Cathleen Johnson, MS, TRS, OTRL**

Cathleen Johnson, MS, TRS, OTRL is a Division Rehabilitation Director for HCR Manor Care in which she provides operational and clinical oversight for post-acute rehab settings in multiple states. Additionally she has been appointed Clinical Rehabilitation Consultant for the corporation providing oversight to the OT practice within all SNF settings. Cathleen has 20 plus years of experience in healthcare and has worked in psychiatry, chemical dependency, physical rehabilitation, school therapy settings as well as long term care. Her clinical areas of expertise include wellness program design and implementation, assessment tools, urinary incontinence treatment, dementia intervention including Spaced Retrieval, Allen Cognitive theory and group therapy. She has presented at National and State conferences for both Occupational Therapy and Therapeutic Recreation organizations. She is the co-owner of the training company, Therapists Training Therapists and has trained thousands of clinicians nationwide.
